Dear Mike

RE: Continual Professional Development Certification

Thank you for submitting your courses for validation to Consulting Engineers South Africa (CESA). We have pleasure in advising you that you have been successful in the following submissions:

Title	Validation No.	CPD Credits
Understanding PVC-O (TOM 500) Pressure Pipes – SANS 16422	CESA-790-11/2018	0.5

Attached please find a validation certificate and a CESA logo.

**Please take note of the following obligations:**

**CESA logo and Validation number**

The CESA logo and the validation number must appear on (at least) the cover page of all marketing material, training material, registration forms, attendance registers and certificates issued.

**Documentation**

The training provider must submit to the School of Consulting Engineering the following documentation after each event:

1. The attendance registers, which must be signed by each delegate, on each separate day of training and must include the delegate's name, surname, company, contact details and their identity numbers.
2. The summary of the delegates' evaluation forms.

Yours faithfully
